EDUCATION

Thakur Institute of Management Studies, Career Development and Research <i>Master of Computer Applications (MCA)</i>	Mumbai, IN <i>Sept. 2025 – Present</i>
Keraleeya Samajam's Model College (Autonomous) <i>Bachelor of Science in Information Technology (B.Sc. IT)</i>	Mumbai, IN <i>Aug. 2021 – May 2024</i>

PROJECTS

Nutshell – AI Text Summarizer <i>React.js, Node.js, Express.js, MongoDB, Groq API, JWT, Tailwind CSS</i>	2025
- Developed a full-stack AI-powered web application that summarizes long-form text into short, detailed, or bullet-point formats using the Groq LLM API - Implemented secure user authentication with JWT and bcrypt including protected routes, session management, and persistent login - Built a RESTful API with Node.js and Express handling summarization, authentication, and summary history retrieval with MongoDB	
Lumio – AI-Powered Agentic App Builder <i>Next.js, Gemini AI, Cline SDK, Supabase, Arcjet, Shadcn UI</i>	2025
- Built a full-stack AI SaaS app builder using Next.js and Gemini AI, letting users generate and preview working web apps from natural language prompts in real time - Integrated the Cline SDK as an autonomous coding agent for multi-step code generation and live app scaffolding - Implemented Google OAuth, Supabase (PostgreSQL), and subscription billing for secure auth, data modeling, and monetization - Added Arcjet rate limiting to protect APIs and control AI generation costs at scale - Built the UI with Shaden UI and Tailwind CSS for a polished, production-grade experience	

CERTIFICATIONS

Generative AI in Action <i>View Certificate</i>	IBM SkillsBuild <i>Feb 2026</i>
Full Stack Web Development	Udemy <i>currently learning</i>
Java Programming	NPTEL <i>April 2026</i>

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, TypeScript, SQL
Frameworks & Libraries: React.js, Node.js, Express.js, Spring Boot, LangChain, Tailwind CSS
Databases: MongoDB, MySQL, PostgreSQL
Developer Tools: Git, GitHub, Docker, Postman, VS Code, IntelliJ, Cursor
AI Tools: Gemini API, LangChain, FAISS, ImageKit, ChatGPT, Claude
